

Dear

Why we are writing to you

We received your submission under the Streamlined Filing Compliance Procedures for Non-Resident U.S. Taxpayers.

Your submission presents a low risk for non-compliance, and therefore, you are eligible for the streamlined procedures. We've processed the returns or amended returns you submitted.

If you asked for relief because you didn't timely elect to defer income from certain retirement or savings plans (where a tax treaty permits it), we're granting relief based on the information you provided. This relief may be subject to verification on any later examination of the returns or amended returns you submitted.

What you should do

You don't need to do anything at this time.

If we granted relief for failure to timely elect deferral of income as described above, keep in mind that you can't revoke your election without the consent of the Commissioner of Internal Revenue. So, you must file future returns using the same election.

What the IRS will do

We won't take any further action at this time.

If you have questions, please contact us at the telephone number shown above. If no one is available, please leave us a message and we will return your call.

Thank you for your cooperation.
