

Subject: USA laws to be implemented in WRITE YOUR COUNTRY NAME HERE!! 123 questions for the WRITE YOUR COUNTRY PEOPLES NAME HERE! Government Concerning FATCA and IGA Legislation! The public has a right to know!

Dear

WRITE YOUR COUNTRY NAME HERE! is in the process of accepting the American law FATCA, written by American lawyers, in the interest of the American Government.

Below is a list of questions that I have for all involved that need to be answered.

1. Have you done a full analysis and risk analysis concerning the USA FATCA regulation and your Intergovernmental Agreement (IGA)? I suspect you have not.
2. Have you not demanded that your own legal department review the legal commitment that WRITE YOUR COUNTRY NAME HERE! is making to the USA? Do you make legal commitments without using legal advice? If so, what was the result?
3. Do you understand that the definition of "US person" is owned by USA and not controlled by any IGA? You do understand what s US person is today? Today, it includes many WRITE YOUR COUNTRY PEOPLES NAME HERE! citizens living in WRITE YOUR COUNTRY NAME HERE!, some of them who may have never set a foot in USA or ever had any connection with the USA.
4. What is the risk of the definition of "US person" changing? Is it controlled in your IGA agreement? The definition of US person changed as recently as this summer in similar situations---have you controlled in your IGA that it isn't going to change again?

5. As you are implementing and accepting USA law into WRITE YOUR COUNTRY NAME HERE!, do you understand that you are taking upon US punishments into WRITE YOUR COUNTRY NAME HERE! as well? Do you understand the punishments that are applicable to bank employees? Has your IGA contract specifically protected WRITE YOUR COUNTRY PEOPLES NAME HERE! bank employees from prosecution under US law? (No, it hasn't and it doesn't matter whether you have signed an IGA or not.)

<http://bit.ly/16Zk3Dy>

It says:

Shall be imprisoned not more than 3 years;

Or fined not more than \$250,000 for individuals (\$500,000 for corporations);

Or both, together with cost of prosecution.

<http://bit.ly/17ubMYu>

6. Have you taken into account that the above punishments are US laws, not WRITE YOUR COUNTRY NAME HERE! laws, and that they are subject to change at any time according to US legislation or US tax rules?
7. The WRITE YOUR COUNTRY NAME HERE! tax treaty with the USA is unique, in that it requires WRITE YOUR COUNTRY NAME HERE! to aid in tax and penalty collection to the USA. Have you analyzed if WRITE YOUR COUNTRY NAME HERE! will then be liable to collect fines and/or extradite bank employees to USA?
8. Are you aware that the IGA you are signing for WRITE YOUR COUNTRY NAME HERE! commits WRITE YOUR COUNTRY NAME HERE! to everything yet commits USA to nothing? (meaning that WRITE YOUR COUNTRY NAME HERE! gets nothing but promises in return?) Reference Rep Posey Letter to Treasury Secretary Jack Lew, July 1, 2013 as below:

(Posey letter July 1) http://www.google.com.tw/url?sa=t&rct=j&q=&esrc=s&frm=1&source=web&cd=1&cad=rja&ved=0CDAQFjAA&url=http%3A%2F%2Fwww.repealfatca.com%2Fdownloads%2FPosey_letter_to_Sec._Lew_July_1%2C_2013.pdf&ei=jF1-Uq_WAcTgkAXc-oDoBg&usg=AFQjCNFAMymJ72NKc5CclBRPoppn59uF0Q

9. You are aware that an IGA is not a treaty, aren't you? A treaty needs to be ratified by a legislative body, and the IGA will not be.
10. Are you aware that the IGA is not connected to the original FATCA legislation, HR 2847, and therefore does not commit the USA to anything?
11. Have you analyzed the effects of FATCA upon WRITE YOUR COUNTRY PEOPLES NAME HERE! citizens living in WRITE YOUR COUNTRY NAME HERE!?
12. Have you analyzed FATCA's reporting and mechanisms upon WRITE YOUR COUNTRY PEOPLES NAME HERE! citizens, regarding discrimination according to national origin? Is it such that certain WRITE YOUR COUNTRY PEOPLES NAME HERE! citizens are the new Jews? Will they be punished? How? Bankrupted? Extradited? Will they be loaded onto transports and sent off to their fate?
13. What changes to the discrimination laws will be required in order to search out and find citizens of a particular nationality? Will Eritreans also be searched out and found? Perhaps Muslims? Jews?

14. Have you analyzed the IGA? Do you realize that it over-rides existing tax treaties?

<http://bit.ly/HDgecP>

15. Do you realize that the information you are sending to the USA is not considered as confidential tax information (Title 26 information), rather that it is non-tax information (title 31), and hence not subject to the privacy rules which govern USA tax information?

16. Have you analyzed the effects of the fact that the information from FATCA and its reporting mechanisms is shared with the NSA, the FBI, CIA and other agencies? Information not only upon US persons, but those that are one contact away from a US person and upon the WRITE YOUR COUNTRY PEOPLES NAME HERE! FFI financial institutions.

<http://bit.ly/1a17nuO>

17. What information from the FFI's will be shared with the other three-letter US agencies?

18. Have you realized that US tax law requires US persons to be financial spies inside WRITE YOUR COUNTRY NAME HERE! to the USA? That these people are then REQUIRED to spy upon WRITE YOUR COUNTRY PEOPLES NAME HERE! corporations, WRITE YOUR COUNTRY PEOPLES NAME HERE! spouses, WRITE YOUR COUNTRY PEOPLES NAME HERE! business partners, and WRITE YOUR COUNTRY PEOPLES NAME HERE! volunteer organizations? That FATCA requires that US persons (WRITE YOUR COUNTRY PEOPLES NAME HERE! citizens living in WRITE YOUR COUNTRY NAME HERE!) spy upon WRITE YOUR COUNTRY NAME HERE!? Does this break any current laws in WRITE YOUR COUNTRY NAME HERE!? If so, which ones? Have citizens agreed to be spied on by their fellow citizens?

19. The private financial information of all family members (those who share joint accounts with the US person) will be reported to the IRS, even if they are fully WRITE YOUR COUNTRY NAME HERE! persons and have no US personhood. See section 3 of the FBAR form foreign “joint accounts”.

Also, trusts which are set up by US persons for elderly WRITE YOUR COUNTRY PEOPLES NAME HERE! in-laws or any children must be reported.

The private financial information of a WRITE YOUR COUNTRY PEOPLES NAME HERE! volunteer organization must be reported to the IRS by any US person who may have volunteered to help pay the bills. See sec 4 of the FBAR form.

The private financial information of a WRITE YOUR COUNTRY PEOPLES NAME HERE! corporation must be reported to the IRS by any officer or person signing corporate checks upon the FBAR form.

Form 5471 –A US person shareholder must spy on the entire WRITE YOUR COUNTRY PEOPLES NAME HERE! Corporation. <http://www.irs.gov/pub/irs-pdf/i5471.pdf>

A US person living in WRITE YOUR COUNTRY NAME HERE! is required to report the private financial information of the WRITE YOUR COUNTRY PEOPLES NAME HERE! Company to the IRS, regardless that the company is majority owned by full-WRITE YOUR COUNTRY PEOPLES NAME HERE! persons.

Form TD F 90-22.1, otherwise known as FBAR, A US person in WRITE YOUR COUNTRY NAME HERE! must report all banking details if their aggregate account balances are over US\$10,000.

20. Are you aware that WRITE YOUR COUNTRY PEOPLES NAME HERE! jurisdiction laws have no effect: The fact that a WRITE YOUR COUNTRY PEOPLES NAME HERE! jurisdiction would impose a civil or criminal penalty on you if you disclose the required information is not reasonable cause (for not reporting to USA)?

21. Are you willing to have WRITE YOUR COUNTRY PEOPLES NAME HERE! banks absorb costs which are greater than the gains which USA will gain?

22. Does WRITE YOUR COUNTRY NAME HERE! have any backbone? Does WRITE YOUR COUNTRY NAME HERE! negotiate to have an IGA agreement which (it mistakenly believes) is less bad than the FATCA applications upon its banks?

23. Is WRITE YOUR COUNTRY NAME HERE! ready to break international concepts, in making an agreement which is not upon equal terms between nations?
24. Do you realize that FATCA is simply a method of transferring money from a prosperous WRITE YOUR COUNTRY PEOPLES NAME HERE! to the USA, via compliance agencies and expensive defense lawyers and US banks?
25. Has your risk analysis been comprehensive? Do you realize that your greatest risk in FATCA relations with USA is the risk that you haven't discovered all of the risks that lie inside the insane US tax laws?
26. Without a full analysis of the IGA agreement by US lawyers, how do you know what it is that WRITE YOUR COUNTRY NAME HERE! is committing to?
27. Shouldn't WRITE YOUR COUNTRY NAME HERE! be hiring a US lawyer to analyze what WRITE YOUR COUNTRY NAME HERE! is signing up for? Someone who fully understands US laws? There are many international lawyers in Washington DC and New York City—many of whom have lobbied for FATCA and helped to write the laws. Their fees are between \$400 and \$2000 per hour, they could be immensely helpful for WRITE YOUR COUNTRY NAME HERE! to understand what it is that they are signing up for. Why not take some WRITE YOUR COUNTRY PEOPLES NAME HERE! money and get some real advice upon US law from a US lawyer?

has not occurred, does WRITE YOUR COUNTRY NAME HERE! plan to seek such advice prior to the signing of any IGA?

35. Does WRITE YOUR COUNTRY NAME HERE! realize that the data collected and sent to the IRS may be shared with other US government agencies for purposes unrelated to taxation, with no further consultation or agreement?
